Needs?

Karen Pickart (KP) brought up Transition Panel at June Institute Panel of Providers from throughout the Regions to share information and then be open to questions.

She is interested to know who would be important to invite to be on the panel.

? Goals to work on?

Question as to if Secondary transitions was focus of the group and then confirmed.

KP sending to CSPD list-serve

JH asked if we become aware of interested individuals to let her know. No one from our Region has registered to attend. She would make allowances with the time limit if needed.

DMD, Disability Mentoring Day, name change to MyTransitions Mentoring Day 10/16/14 is the scheduled date. Purpose was to tie the day to MyTransitions.

Applications were sent to members of this group prior to meeting.

KP will also send these out to the list-serve group.

June excited with Sept mentoring Day and presenting results at MAR conference.

June offered assistance for minimal transportation costs if need be to get to job shadow activities.

KP would like more information on MyTransitions Mentoring Day. Isaac to follow up.

Next Meeting when to meet?

Discussion on when to meet in May and if we wanted to have MyTransitions Mentoring Day applications back prior to meeting.

Beverly Stiller joined meeting. Parent of a child with a disability. Welcomed and went over items discussed so far in the meeting. Discussion on purpose of the group. 5 regional groups aligned with OPI regions.

Regional meetings at this time are conference call to make it easier for all to attend but without travel.

Possibly one face to face meeting in the future.

June did say we should have funding past June with a new contract.

May dates discussed.

Group does want a Doodle Poll again to set meeting.

Beverly would like information from last meetings. Isaac to send past minutes and website address.

MyTransition applications to go out and address if any come back to arrange possible job shadow.

Meeting recording send to June. Sadly it did record but I have not figured out how to send via email.

Thank you
