Independent Living Center (ILCs)

ILCs provide people with disabilities advocacy and support services, including assistance with employment, housing, healthcare and living skills.

People with disabilities want to live independently just like their friends, family, and neighbors. The independent living program provides them with the services needed to achieve their desired way of life. These services include the four core IL services: information and referrals to appropriate organizations, IL skills training, individual and systems change advocacy, and peer mentoring. Other services provided include benefits counseling and planning, housing information, help with accessibility issues and personal care assistance.
